

Name of Entity Completing Attestation:	
<p>Do you utilize offshore subcontractors?</p> <p>The Centers for Medicare & Medicaid Services (CMS) defines an offshore subcontractor as the following: The term “subcontractor” refers to any organization that a Medicare Advantage Organization or Part D sponsor contracts with to fulfill or help fulfill requirements in their Part C and/or Part D contracts. Subcontractors include all first-tier, downstream, and/or related entities. The term “offshore” refers to any country that is not one of the fifty United States or one of the United States territories (American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands). Examples of countries that meet the definition of “offshore” include Mexico, Canada, India, Germany, and Japan. Subcontractors that are considered offshore can be either American-owned companies with certain portions of their operations performed outside of the United States or foreign-owned companies with their operations performed outside of the United States. Offshore subcontractors provide services that are performed by workers located in offshore countries, regardless of whether the workers are employees of American or foreign companies.</p> <p>Banner Health (BH) does not allow any Medicaid activities to be performed offshore. This includes the accessing receiving, processing, transferring, handling, or storing of BH Medicaid member protected health information (PHI) to be performed offshore.</p>	<p>Response: Yes <input type="checkbox"/> No <input type="checkbox"/></p>
