IN THE NEWS

2020 B – UHP Financial Audits

As a reminder, every year for AHCCCS Administrative Subcontractors, B – UHP is required to conduct a financial audit of all its Administrative Subcontractors.

This year, we will begin to send out audit engagement letters towards the end of summer. As part of that audit we will provide you with what we require from you and/or your organization. The audit is generally conducted within 30 days and results will be shared with your leadership.

If you have any questions or concerns in regards to this year's financial audit, please feel free to reach out to the B – UHP Vendor Oversight Team at BUHPVendorOversight@bannerhealth.com.

Thank You to our FDR's & Administrative Subcontractors

As we navigate these unprecedented times B – UHP would like to thank all of its FDR's, vendors, partners, providers, and their employees for all they do.

B – UHP wants to ensure that our providers are prepared to provide quality care for our members who have been exposed to or diagnosed with COVID-19. We also want to provide access to the resources that will help sustain them through the COVID-19 emergency.

We've created a page with important resources that can be found [Here](#).

There you will find information such as:

COVID-19 FAQ's, Provider Resources, Small Business Aid, COVID-19 Data, Community Resources, COVID-19 Testing, and Telehealth Resources.

We will be providing updates to the page as the COVID-19 emergency is fluid.
