Section 1 – Introduction

This directory provides a list of Banner – University Care Advantage network of dental providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). The term PCP will be used throughout this directory. Generally, you must get your health care services from your PCP. Your PCP is a physician or nurse practitioner who meets the state requirements and is trained to give you basic medical care. You will receive your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. For example, in order for you to see a specialist, you usually need to get your PCP's approval first (this is called getting a "referral" to a specialist).

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Other physicians / providers are available in our network.

Some specialists might ask for a referral from your PCP before they will agree to see you. The specialist needs to have an understanding of your medical history and the conditions the specialist will need to treat. This information prepares the specialist to provide you with the most efficient and highest quality care.

If you receive a bill from a non-contracted provider, do not pay the bill. Send the bill to Banner – University Care Advantage in order for us to process and determine if you have any liability for the bill.

When you have a "medical emergency", you believe that your health is in serious danger. A medical emergency can include severe pain, a bad injury, a sudden illness or a medical condition that is quickly getting much worse. If you have a medical emergency: Get help as quickly as possible.

Call 911 for help or go to the nearest emergency room, hospital or urgent care center. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP, even if you are out of the service area.

As soon as possible, make sure that Banner – University Care Advantage has been notified about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. You can find the number to call on the back of your plan membership ID card or on the back cover of this document.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

You must use network providers except in emergency or for out-of-area urgent care situations or for out-of-area renal dialysis services. If you obtain routine care from out-of-network providers, neither Medicare nor Banner – University Care Advantage will be responsible for the costs.

What is the service area for Banner – University Care Advantage?

Sección 1 – Introducción

Este directorio ofrece una lista de los proveedores dental de la red de Banner – University Care Advantage. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de Cobertura (EOC).

Tendrá que elegir a uno de nuestros proveedores de la red que figuran en la lista de este directorio como su proveedor de atención primaria (PCP). El término PCP aparecerá en este directorio. Por lo general, debe obtener los servicios de atención médica de su PCP. Su PCP es un médico o enfermero profesional que cumple con los requisitos estatales y está capacitado para darle atención médica básica. Recibirá su atención médica básica y rutinaria de su PCP. Su PCP también coordinará el resto de sus servicios cubiertos que usted reciba como miembro de nuestro plan. Por ejemplo, para que usted pueda atenderse con un especialista, por lo general debe obtener la aprobación de su PCP primero (esto se denomina obtener una "referencia médica para un especialista).

Los proveedores de la red que figuran en este directorio han acordado brindar servicios de atención dental. Puede ir a cualquiera de los proveedores de la red que aparezca en el listado de este directorio; sin embargo, para algunos servicios es posible que necesite de una referencia médica. Si ha estado acudiendo a un proveedor de la red, no es necesario que continúe acudiendo al mismo proveedor. En algunos casos, puede obtener sus servicios cubiertos de proveedores no de la red. Otros médicos/ proveedores están disponibles en nuestra red.

Puede que algunos especialistas pidan una referencia médica de su PCP antes de aceptar atenderlo. El especialista necesita entender su historial médico y las condiciones que deberá tratar. Esta información prepara al especialista para brindarle la atención de más alta calidad y eficiencia.

Si recibe una factura de un proveedor no contratado, no pague la factura. Envíe la factura a Banner – University Care Advantage para que podamos procesarla y determinar si usted tiene alguna responsabilidad por la factura.

Cuando usted tiene una "emergencia médica", cree que su salud está en peligro grave. Una emergencia médica puede incluir dolor severo, una lesión grave, una enfermedad repentina o una condición médica que se está empeorando rápidamente. Si tiene una emergencia médica: busque ayuda lo más rápido posible.

Llame al 911 para pedir ayuda o acuda a la sala de emergencias, hospital o centro de cuidados urgentes más cercano. Llame para pedir una ambulancia si es necesario. No tiene que obtener aprobación o remisión de su PCP primero, incluso si se encuentra fuera del área de servicio.

Lo antes posible, asegúrese de que Banner – University Care Advantage sea informado acerca de su emergencia. Debemos dar seguimiento a sus cuidados de emergencia. Usted u otra persona deberán llamarnos para informarnos de sus cuidados de emergencia, usualmente en un plazo de 48 horas. Puede encontrar el número que debe llamar al dorso de su tarjeta de identificación del plan o en la contraportada de este documento.

Si recibe atención de emergencia en un hospital fuera de la red y necesita atención de paciente interno después de que su condición de emergencia se haya estabilizado, debe pedir una autorización del plan para su atención de paciente interno en el hospital fuera de la red, y su costo es el costo compartido que pagaría en un hospital de la red.

La atención de emergencia siempre puede obtenerse dentro o fuera del área de servicio con el proveedor disponible más cercano. Al encontrarse dentro del área de servicio, debe utilizar proveedores del plan para sus cuidados de urgencia. Al encontrarse fuera del área de servicio, puede obtener sus cuidados de urgencia del primer proveedor disponible. Además, al encontrarse fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado.

Debe utilizar los proveedores de la red, salvo en situaciones de emergencia o situaciones de atención de urgencia fuera del área, o para servicios de diálisis renal fuera del área. Si usted recibe atención de rutina de parte de proveedores fuera de la red, ni Medicare ni Banner – University Care Advantage se harán responsables de los costos.
